Underwater RGB LED Light Fixture - 18w, 24V

PRODUCT NAME Underwater RGB LED Light Fixture - 18W, 24V

URL [Click Here](#)

SKU UW-SC-RGB1

DESCRIPTION This is a great new Underwater RGB LED Light Fixture that can be used in a number of outdoor and underwater lighting applications including pool lighting, fountain lighting, waterfall lighting, spring lighting, landscape lighting, or any application that requires a waterproof, submersible and durable RGB LED Light. 6 Epistar 3W RGB LEDs produce vivid and bright color changing light up to 160ft. With an aluminum alloy die-cast shell, stainless steel front cover and 4mm tempered glass cover this product is durable enough to withstand any under water application. The 50,000 lifetime hours and low voltage power consumption make this product a must have for any outdoor lighting project. Two, four, six, and ten port junction boxes make for simple and easy installation of multiple light fixtures, see installation guide for reference.

DIMENSIONS 5.12" Lamp Diameter x 8.46"H

LIFESPAN 50,000 Hours

DC VOLTS 24V DC Constant Voltage

RATING IP68 Waterproof and Corrosion free

POWER USE 24VDC, 18 Watts

CONNECTION TYPE 4 Pin, 3 Loop, Common Anode

WARRANTY 2 Year Manufacturers
